“The Dueling Pianos concept can be summed up in a single word: FUN. Combine two sharp-witted, incredibly talented musicians with two grand pianos on a stage, and add in a roomful of people: The result is an evening of fast, funny, unforgettable entertainment.

The musical repertoire ranges from classic rock to country, hard rock to R&B, and show tunes to Top 40. Best of all, the audience is the star of the show—shouting out requests, singing along to favorites, bantering with performers, and having the time of their lives “.
