## 9am to Noon in the Cafeteria

The many projects that will be available to do will benefit a local charity. They are easy projects, but important ones.

- Decorate and fill a candy jar
- Make rosaries
- Make bookmarks and create cards
- Serve cookies to American House residents while our students sing
- Fill purses with hygiene products
- Put together "Snack Pack" bagged lunch
- Sew and create small stuffed animals for cancer patients
- Make fleece blankets for PB

*If you cannot participate in a project, perhaps you can donate some much needed materials. See other side for list of materials necessary to make this day a success.*
